SUBJECT: Comments on USIB-D-34.4/2

1. This division is only concerned with Attachments B and C to subject paper.

2. For Attachment B we have the following comments on paragraph 2, (a) and (b):

[redacted] 25X1

(b) We are definitely for this proposed action and have already incorporated a request to implement it in our Operating Budget for 1963 and our Congressional Budget for 1964. Our request is for [redacted] in additional funds for this purpose. 25X1
We would propose to expand the present program simply by the addition of more contractors. We believe that there are potentially many more contractors available. Our immediate objective would be to raise the present number of individuals under contract from [redacted] to around [redacted] We anticipate no need for 25X1
additional [redacted] facilities for this purpose as we intend 25X1
to expand around the country by mail handling.

3. Our comments on Attachment C are primarily technical points of wording and these have already been communicated to [redacted] 25X1
of the Coordination Staff. On page 5, the 5th line should read "under or available for contractual arrangements with CIA" and to the 11th line should be added at the end of the line "by CIA."
